

LICENSEE'S RESPONSIBILITY FOR USE AND CONFIDENTIALITY

It is expressly understood that it is possible by acting outside the scope of use for the System(s) to cause harm to the applicator and the applicatee. As such the Licensee shall at all times follow the Protocols licensed in conjunction with the System(s) under the License Agreement and never use the System(s) on a person with a pacemaker or in a manner contrary to that prescribed in the manual provided to Licensee with each RX, POV Sport and PRS units. Licensee agrees not to use the MyARP Concept, ARPwave and ULTRAFIT POV SPORT System(s) on, or allow its use by, any third parties.

Without limitation, the System(s) are owned exclusively by the Licensor. Licensee acknowledges and agrees that the System(s) herein licensed are proprietary to Licensor and constitute protocols, programs, trademarks, service marks, copyrights and trade secrets of Licensor, and title thereto is not conveyed to Licensee and that Licensee's sole right and interest in and to the System(s) is the License herein granted. Licensee shall keep all System(s) licensed hereunder strictly confidential and shall not disclose, display, sell, lease, license, transfer, publish, or otherwise make available the System(s) to any other party without the written consent of Licensor. The provisions of this paragraph shall not be deemed to derogate or lessen responsibilities set forth in any other provision hereof or available at law.

DISCLAIMERS AND LIMITS ON LIABILITY

Without limitation to any other provision hereof, Licensor makes no warranties, express or implied, with respect to the System(s) herein licensed, including warranties of marketability, warranties of fitness for particular purpose, any warranties at common law, which warranties are hereby excluded and disclaimed by Licensor and waived by Licensee. The RX, POV Sport and PRS units are a complimentary alternative non-medical option designed to relax and maintain muscles, but the RX, POV Sport and PRS units should not be relied on as a fully systematic or complete alternative to the treatment prescribed by your doctor. Do not change any current medications. No medical doctors are involved at MyARP Concept, ARPwave and Ultrafit, therefore no diagnoses and/or claims are made in regards to what can or may help with anyone's health. All products and recommendations offered are not intended to replace the advice of your medical professional. Any and all information offered is based on the experience and knowledge of MyARP Concept, ARPwave and Ultrafit, and is to be taken at your own risk and understanding. Individual results may vary. Your health is your own responsibility only. Any use of the RX, POV Sport and PRS units is undertaken at your own risk.

Licensor makes absolutely no representations regarding the suitability, character, effectiveness, legitimacy, legality, trust worthiness, non-infringing nature, or usefulness of the System(s) herein licensed and Licensee uses this License knowing no such representations of any nature regarding same have been made.

Without limiting the aforesaid, Licensee hereby waives any and all claims or rights or causes of action it has or in the future may have of any nature whatsoever, against Licensor, except for any breach or breaches of Licensor's contractual obligations herein set forth. Licensee hereby waives all rights at law and equity to claim fraud, inaccuracy, imperfection of the System(s) herein claimed, or seek any consequences, damages or any form of redress with respect to said System(s).

Without limiting the aforesaid, Licensor makes no agreement, warranty, guaranty, assurance or affirmation that Licensee will achieve any particular result from the use of the System(s) herein.
